## Social Stratification Research Seminar, 2016

<[www.camsis.stir.ac.uk/stratif](http://www.camsis.stir.ac.uk/stratif)>

*This CFP was last updated 3 June 2016*

The annual Social Stratification Research Seminar will be taking place on the 8<sup>th</sup> and 9<sup>th</sup> September 2016 at the HSPS faculty (Department of Sociology), University of Cambridge <<http://www.hsps.cam.ac.uk/>>.

**Paper presentations:** Proposals for papers for presentation are invited from any area in the broad remit of research into social stratification and social inequality. Our seminar often features papers based upon the analysis of large scale social science datasets, and we again welcome papers of this form, but as a seminar group we are also keen to involve papers from other relevant traditions as well. We do not anticipate limiting the number of delegates attending, but we do expect to have to enforce an upper limit on the number of paper presentations that we can accommodate.

If you would like to present a paper, **please send a title and short description of your paper (at least 100 words) to Paul Lambert by 24<sup>th</sup> June 2016** <[paul.lambert@stirling.ac.uk](mailto:paul.lambert@stirling.ac.uk)>. Confirmation of papers for presentation will be made by 29<sup>th</sup> June 2016. Paper proposals received after the deadline will only be accommodated if there is space in the schedule. A provisional programme of papers will be published at <[www.camsis.stir.ac.uk/stratif](http://www.camsis.stir.ac.uk/stratif)>.

*Conference organisers: Paul Lambert, Jennifer Ferguson (Univ. Stirling).*

### **Booking arrangements:**

Paper proposal deadline:	24 June 2016
Paper notifications:	29 June 2016
Final booking deadline:	26 August 2016

The meeting benefits from the kind support of the Department of Sociology, University of Cambridge. This allows us to keep the conference fee to the minimal charge of £15 for salaried delegates only.

Papers submitted by the deadline will be reviewed by the organisers in consultation with other regular meeting attendees if necessary. If the meeting is oversubscribed with paper proposals, priority will go to strong papers in the area of social stratification research and to submissions from delegates who will attend for the whole of the meeting and who have a track record of participation in the seminar group.

### **Location, subsistence, accommodation:**

The seminar venue is near the centre of Cambridge (Free School Lane; postcode: CB2 3RQ). Coffee/tea/biscuits will be provided at breaks, but lunch and other subsistence is left to delegates' own arrangements. For lunch etc, there are numerous shops, cafés and restaurants in the immediate vicinity (e.g. on Kings Parade and on Market Hill). An optional conference dinner will be organised for the evening of 8<sup>th</sup> Sept. at a venue to be confirmed. A number of us will gather informally on the evening of Wednesday 7<sup>th</sup> Sept to go for drinks/dinner, to which all delegates are welcome.

Travel and accommodation is likewise left to delegates' own arrangements (as in previous years, subject to availability several delegates from the meeting will stay in accommodation at Clare College, Cambridge, rooms at which may be booked online: <<https://clareconferencing.com/bed-breakfast-cambridge/>>).

***Please complete and return the booking form overleaf at the earliest opportunity***  
(or provide the information by email). Further information and updates on the conference are published on the conference website <[www.camsis.stir.ac.uk/stratif](http://www.camsis.stir.ac.uk/stratif)>.

University of Cambridge
